[XRUSH] RESPONSE:

I would need to see ~~the~~ what is in the Artifact to be able to know how to proceed. If they are color drawings or photos, are you sure they are not just prior art? Can you just use the Drawings filed 8/19/04, which the Examiner approved, since these are the Drawings to be printed and they are black + white figures?

NOTE: This form will be included as part of the official USPTO record, with the Response document coded as XRUSH.
